

**AAA QUALITY ENGRAVERS 3" x 4" LABEL ORDER FORM -JAN-2016**

We suggest the customer send contact and label info shown below in an email to: [daylilyranch@bellsouth.net](mailto:daylilyranch@bellsouth.net) and attach a list of plants to the email in preferably MSWord, Xcel or similar format. We will be pleased to transmit an example of how to prepare your list in MSWord to aid in preparation. We will review info and submit a price for the inquiry for approval prior to execution. If you do not have your list prepared and just need an estimated price, please include the number of labels & stakes that you envision & we will email price.

- 5) Enter shipping and handling from the above table **See above** \_\_\_\_\_
- 6) Please add lines (3), (4), & (5) & enter here \_\_\_\_\_

We suggest either the 20" or 13" See-Fine stakes for bedding plants because of larger back plates and superior adhesion to galvanized stakes. We prefer the rounded corners on the labels, but can supply square if preferred. The tree labels are normally provided with a centered 1/8" hole in the middle top. (Tree tacks are purchased separately). We will also provide two holes in the top corners for wire or chain hanging. We can provide up to 4 holes if you prefer to mount on a weatherproof wooden plaque which can be affixed to the tree. The plaque should be sized to about 4"x5" to provide an attractive border.
